OFFICE OF THE DIRECTOR OF FOOD
SUPPLIES IN MYSORE, BANGALORE.

Notification dated 20th April 1944.

Adverting to Government Notifications No. S. D. 8754—C. 254-43-4, dated the 3rd—4th April 1944 and No. S. D. 6776—C. 254-45-5, dated 5th April 1944, regarding the wholesale and retail rates of food grains, it has come to the notice of this office that doubts have been expressed in certain quarters regarding the rates at which these grains are to be issued to retail merchants from the Government Godowns for issue to the public. It is, therefore, made clear that the retail merchants will be allowed to take the grains, from the Government Godowns at eight annas per one palla less than the rate per one palla calculated according to the retail rates notified in the *Mysore Gazette*, on 6th April 1944. In other words, the rate charged to merchants may be obtained by adding Re. 0-6-0 per palla to the wholesale rate specified in the notification. The rate is only for the grain and not for gunnies. The gunny bag should be returned by the merchants to the Government Godowns. If the bag is required, an additional Re. 0-6-0 has to be paid if a single bag and Re. 0-12-0 if a double bag.
